

# PAPER FLOWERS

Make these cute little flowers with your children to help brighten up your home and add a little spring spirit.

You will need:

Coloured cardstock  
Pipecleaners  
Beads  
Scissors  
Pencil

Instructions:

1. Cut out two large flower shapes & one small flower shape for each bloom.

2. Make a hole in the centre of each flower piece.

3. Thread a bead onto the end of the pipecleaner, bend the end over and twist to hold the bead in place.

4. Thread the flower shapes onto the back of the pipecleaner.

5. Create several blooms and place in a little pot - plastic cups, glasses, or jars are ideal.
