

## Vintage Style Chain and Gemstone Bracelet

### You will need...

A selection of different coloured and link size chain – approx 20 inches in total – use up odds and ends of chain if you have any

Toggle clasp

4 x 8mm jump rings

4 x 10mm jump rings (1.2mm wire)

16 head pins

8 x 8mm jade gemstones

8 x 8mm cats eye gemstones

Thread the gemstones onto head pins and turn a loop (a wrapped loop will add extra security but is not necessary)

Cut the chain into one inch lengths

Open an 8mm jump ring and add 4 different pieces of chain – close the jump ring

Open a 10mm jump ring – add 2 different gemstones – 4 different lengths of chain - 2 more gemstones – and finally another 4 different lengths of chain – close the jump ring

Open another 10mm jump ring – add 2 different gemstones– the ends of the previous 4 lengths of chain – 2 more gemstones– and 4 more lengths of chain – close the jump ring

Repeat this process until you have used all the chain and gemstones.

Open an 8mm jump ring and add the ends of the last lengths of chain and close the jump ring.

Open another 8mm jump ring and attach to the last jump ring of the bracelet and the ring of the toggle clasp– close the jump ring.

Add the bar of the toggle clasp to the other end of the bracelet with the last 8mm jump ring.

This bracelet will be about 19cm long. Add extra 8mm jump rings to each end of the bracelet if you need it to be longer.
