

GUITAR BIRTHDAY CARD

YOU WILL NEED:

Blank A5 Card and Envelope
Black Card
White Card
Pale Brown Card
Grey Paper
Grey Paper
Happy Birthday Peel-Off Sticker
Pencil
Scissors
Silver Pen
Black Pen
Paper Trimmer
Double Sided Tape
Sticky Foam Pads

TO CREATE THE GUITAR:

1. Using the template below, cut out the shapes from the correct colour card.
2. Assemble the pieces to create the guitar as shown in the picture.
3. Using the silver and black pens, draw on details such as strings, frets and the name.
4. Cut a small rectangle from the black card, draw stitches around the edges using the silver pen. Add a peel-off greeting to the centre of the rectangle.
5. Tear a wide band of the grey paper, stick it across the lower portion of the card. Stick the greeting to the top left of the card at an angle.
6. Using sticky foam pads stick the guitar to the centre of the card.
7. Draw some musical notes along the bottom of the card using the silver pen.

IDEAS:

You could change the colour of the guitar to suit a your theme or the recipient's tastes.

You could also use the guitar design on many other craft projects – such as invitations, scrapbooking pages and notebooks.
