

Christmas Bag

Create this modern Christmas Bag – perfect for small gifts those special to you. You can also adapt the design to create a gift bag for any occasion.

Ingredients and Tools required:

*1 plain Square favour box
2 co-ordinating patterned papers
1 strip plain cardstock
co-ordinating embellishments
2 co-ordinating eyelets
pva glue
basic grey file precision set
crop-a-dile big bite
foam pads*

How to make instructions:

- *Firstly measure a piece of cardstock 30mm by 220mm and cover with cardstock, distress.*
- *Measure top and sides of lid of box, cut out patterned paper to size, distress and adhere to lid*

- *Measure sides of box and again cut out, distress and adhere to sides of box*
- *Add ribbon around bottom of box*
- *To add handle to lid use your crop-a-dile and eyelets to secure into place*
- *Use foam pads on back of embellishments and hey presto a little gift box for someone special at Christmas.*

Products used scraps from basic grey Christmas range last year (2007)

Enjoy creating and remember to show us your creations.
