

# Mother's Day Kit Card

Create this easy Mother's Day card using our free download.

You will need:

The Mother's Day Kit download  
Matt photo paper  
White A6 card & envelope  
Scissors  
Trimmer  
Double sided tape  
Sticky foam pads

The Mother's Day Kit can be downloaded from <http://www.easycraftprojects.net/downloads.php>

1. Print out the download kit onto matt photo paper.
2. Cover the front of your card with one of the swirl background sheets.
3. Cut out and vase and using foam sticky pads back onto a slightly larger piece of the stripe backing paper.
4. Round the corners of the striped backing and stick the flowers onto the front of the card.
5. Cut a strip of the stripe backing and stick along the card under the flowers. Stick the greeting in place over the right of the stripes.
