## Instructions:

1. Cut two pieces of patterned paper from the Morris Dance kit to 3" x 5".

2. Cut two pieces, 3" x 5", of the pale green Morris Dance paper. Stick these pieces to the back of the patterned papers.

3. Cut pieces of plain Morris Dance paper to 2 1/2" x 5". You will need 5 pieces this size in different colours.

4. Create tabs onto these 5 pieces of Morris Dance paper using small pieces of ribbons – wrap the ribbon over the side of the paper and staple in place.

5. Add alphabet letters to piece to complete your address book divider.

6. Cut pieces from your cardstock to 2 1/2" x 5" to create pages for the address book.

7. Punch holes in the left side of all the pages, dividers, and the acrylic covers. Attach them together using the book rings.

8. Add 'addresses' down the right side of acrylic front cover.

9. Using the same patterned paper as your inside cover, cut out 3 flowers – each with 5 petals. These flowers should be roughly 2” in diameter.

10. Cut out 4 smaller five petaled flowers. Ink the edges of all the flowers and scrunch them up.

11. Layer them up – gluing between each layer and stick the flower onto the front of the address book.
