

## Christmas Photo Card

### Supplies

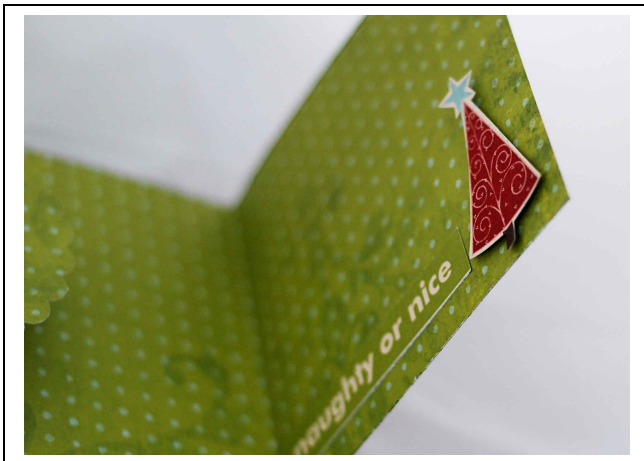

Holiday papers, double sided (I used Scenic Route)  
Scenic Route stickers  
Cardstock

### Tools

Double sided tape/Herma and PVA glue  
Scalloped circle and square punch  
Bone folder

## Instructions

- Cut 1/2 " strips of cardstock for each card you are making. Ink if you wish and set aside.
- Cut 4x12" strips per card .Ink above pieces.

- Score at 2", 5.75" and 4.25". Fold along the crease lines
- Make sure the 2" flap is on the left. Score at 1/2" from left.
- Add the 1/2" strip around the 2" flap that you have just scored. This makes a binded spine
- Using die cut tags and stickers, choose a piece to adorn each flap.
- Now decorate the inside, add photo and sentiment!

Thanks for taking my class!
