

Halloween Tin and Card

The tin could contain sweets or even a rolled up t-shirt or some cards etc. And would make a lovely Halloween gift for a child.

Materials

1. Storage tin
2. Kaboodle Doodles Halloween paper & embellishments kit.
3. Card
4. Rubber stamp (I used Hero Arts Happy Halloween)
5. Double sided tape and foam pads.
6. Ribbon

Kit available from
www.kaboodledoodles.co.uk

Instructions

1. Cut chosen paper to size and stick to the tin with double sided tape.
2. Attach ribbon to the lid.
3. Attach sentiment to the front of the tin and stick on the sweet embellishments using foam pads.
4. Cut a circle of paper for the top of the lid and attach along with image and sweet embellishments.
5. Make a very simple card by layering two different pieces of card adding ribbon, sentiment and image.
6. Add sweets or gifts to the tin.
