

# Cuttlebug Wedding Cards

## You will need:

- Cuttlebug Machine
- Cuttlebug Embossing Folder
- Stylized Flowers & the Embossing Wedding Set
- White blank cards and envelopes
- Blue and white pearl card
- Cream Linen Card
- Cream silver swirl textured paper
- Blue Ribbon
- Papermania Wedding Dome Stickers
- Paper trimmer
- Scissors
- Double Sided Tape
- Sticky Foam Pads
- White teardrop gems

## Mr & Mrs

Using the Bride and Groom Cuttlebug Embossing Folder emboss the image onto a small piece of the white pearl card. Mount this at an angle onto a small piece of the blue pearl card. Emboss a large piece of the linen card using the Stylized Flowers Embossing folder. Cut a piece of the swirl textured paper and stick it to the right side of your card. Mount the floral embossed card and the bride and groom image as shown. Stick a piece of blue pearl card across the bottom of your card. Add the 'Mr & Mrs' dome sticker and 3 teardrop gems to the bottom right.

## Happily Ever After

Emboss the Wedding Cake onto white pearl card, cut it out leaving a 2mm border. Emboss the Stylized Flowers onto a piece of the white pearl card. Stick this across the top of the card. Mount a piece of the silver swirl paper and a piece of the blue pearl card as shown. Add the wedding cake using sticky foam pads. Stick a piece of pale blue ribbon across the bottom of the card. Add a 'congratulations' dome sticker to the pearl blue card and a 'happily ever after' dome sticker to the bottom right.
