

Photo Calendar

A great quick gift for a school friend or relative

Supplies Required –

One sheet of patterned paper
One photo – any size
A4 black strong cardstock
Embellishments
Two eyelets

White pen
String
Calendar
Crop-a-dile
Pva glue

Method –

- Cut a strip of patterned paper and adhere off centre at the top of the black cardstock, adhere your photo on top of this.
- Adhere calendar underneath this in the centre.
- Add some embellishments under the calendar.
- Using the white pen add some doodling to edges of photo and paper etc.
- At the top of the cardstock measure 1.5cms from the centre of the card each way and using your crop-a-dile attach two eyelets.
- Loop your string through the eyelets and voila
