

# *Make a Beaded Napkin Ring*

Create these beautiful beaded napkin rings to finish off your table – ideal for Christmas and dinner parties.

You will need:

20 Gauge Jewellery Wire  
Selection of Beads  
Headpins  
Jump Ring  
Pliers  
Wire Snips

Instructions:

1. Take some 20 gauge jewellery wire and bend it into a circle, about 2" in diameter. Cut off the wire but allow about 1/2" extra on each end.

2. Bend one end of the wire into a loop, making sure it is closed. Add your beads to the wire and finish by turning another loop in the other end of the wire but don't close it.

3. Close the napkin ring by looping the 2 ends of the wire together.

4. Put a bead on a head pin and make a loop in the wire. Repeat this until you have 6 beads on headpins. Open a jump ring and add the beads on head pins. Attach the jump ring to the end loop of the napkin ring and close the jump ring. You will then have a bead cluster to decorate the napkin ring.
