

Bunny Ears

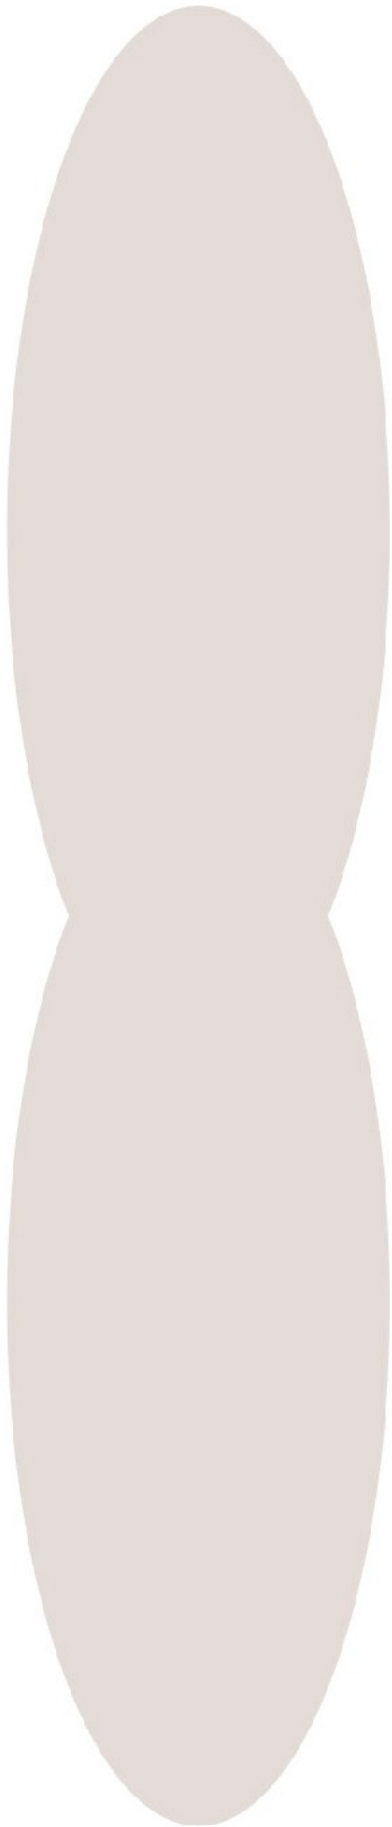

You will need:

Two sheets thin coloured craft foam
Headband
Strong adhesive
Basic craft tools

Instructions:

1. Cut two ears using the template below.
2. Cut two middle ears from a second colour foam using the template.
3. Fold one of the main ear pieces in half over the headband and stick in place. You will need to stick the ear to the headband itself to hold it upright.
4. Repeat for the other ear.
5. Stick the middle ear pieces in place.
